

ASA CARDIAC SEMINAR (ONLINE)

The ASA is excited to present our **Online Cardiac Seminar**.

We will be showcasing four expert speakers on the day, with presentations tailored specifically to sonographers within the cardiac field.

Presentations will be live-only, so be sure to clear your calendar so you don't miss a moment!

Presenters:

- **Bianca Coelho** - Imaging post TAVI
- **Prof Sharon Kay** - Physiologist lead cardiaconology clinics
- **Kate Sturwohld** - Echo signs of tamponade
- **Dr Liza Thomas** - Evaluation of the Left Atrium

When:

9:45am - 3pm. Saturday, October 23
