

Newcastle branch meeting

Interesting Case Night

The ASA Newcastle branch warmly invites you to a fun and interesting evening of socialising and learning.

Come along to the interesting case night, where you can catch up with peers over drinks and nibbles, and share your interesting work. This is also a great opportunity for students to hone their presentation skills in a friendly and supportive environment.

Format:

- 5 slides in 5 minutes with 2 minutes for questions
- Key learning outcomes should be included in the presentation
- Any information about the pathology or condition should be kept concise
- Ensure that patient ID is removed from images and clips
- A suggested presentation structure includes: title, patient history, images/clips highlighting key learning points, patient follow-up and outcomes
- Presentations should be uploaded to a USB and it is recommended that images are also uploaded to a separate device in case of any issues
- Please arrive a few minutes early in order for your presentation to be uploaded and checked

The ASA is offering members a prize for the **Best Case** presentation. If your presentation is selected, you will win a **30% discount on registration to an ASA International Conference**.

Presenters: after registering on the ASA website, please email your interesting case topic and any direct enquiries to the Newcastle branch committee at newcastle@sonographers.org.

Earn valuable CPD points for presenting an interesting case

10 PD-asa points = 10 ASAR credits

[Members and non-members welcome](#)

Date

Thursday 30 March 2023
