Mid North Coast NSW
branch**meeting**

asa australasian sonographers association

Interesting Case Night

The ASA Mid North Coast NSW Branch warmly invites you to a fun evening of socialising and learning.

Come along to the interesting case night and share your best case or pathology review from 2020. This is also a great opportunity for students to hone their presentation skills in a friendly and supportive environment. Of course, you can attend the evening without needing to present.

The ASA is offering a prize for the **Best Case** presentation on the night.
If your presentation is selected, you will win a
30% discount on registration to an ASA conference.

Guidelines for presenting a case study:
- Presentations should be approximately 5-7 minutes in length
- Ensure that patient ID is removed from images and clips
- A suggested presentation structure includes: title, patient history, images/clips highlighting key learning points, patient follow-up and outcomes
- Presentations should be uploaded to a USB and it is recommended that images are also uploaded to a separate device in case of any issues

RSVP: Name and presentation title submitted by 4 December 2020 to
ljday811@gmail.com

Please keep in mind that registration is essential to comply with COVID-safe regulations.

Earn valuable CPD points for presenting an interesting case
10 PD-asa points = 10 ASAR credits
