9.00 am	The brachial plexus, radial, ulnar and median nerves of the upper limb
10.30 am	Abdominal wall nerves, sciatic, femoral, peroneal and posterior tibia nerve
12.00 pm	Lunch
12.30 pm	Nerves in the foot and ankle
2.00 pm	Q&A session
2.30 pm	Finish

About the presenter

Marguerite qualified in 2000 and has held the Senior Sonographer role at Envision Medical Imaging since 2008. MSK is her sub specialty and she has carried out numerous presentations and workshops in Singapore, New Zealand and around Australia. Marguerite has been involved in training both Radiologists and Sonographers in MSK Ultrasound. Much of her daily work includes scanning elite sports patients, podiatrist referred cases, and anything MSK.
