

# asa Victoria branch meeting

## Obstetric Mid Trimester Film Reading “From normal to what next?”

The ASA Victorian Branch is pleased to invite you to an outstanding educational event where Braidy Davies, Dorothy McGuiness, Rowena Findlay and Silvana Mandarano will deliver presentations covering **spine and brain, placenta and cervix, heart and abdomen**.

The meeting is open to those who are just starting out right through to the most experienced of sonographers.

Taking place via Zoom, attendees will be able to discuss and interact with each presenter during their individual presentation.

The Zoom link will be sent to all attendees prior to the meeting taking place, so early registration is recommended.
